Principal
Mrs Kathy Gee
Maria Regina Catholic Primary School (the 'School') is registered by the NSW Board of Studies, Teaching and Educational Standards (BOSTES) and managed by the Catholic Schools Office (CSO), Diocese of Broken Bay. The CSO as the ‘approved authority’ for the diocesan registration system formed under Section 39 of the NSW Education Act (1990), is responsible for monitoring the compliance of member schools in the manner that has been approved by the Minister of Education.

The Annual School Report (the 'Report'), approved by the School’s Consultant, demonstrates accountability to regulatory bodies and the CSO. Additionally, the Report complements and is supplementary to other forms of regular communication to the School community regarding initiatives, activities and programs which support the learning and wellbeing of its students.

The Report provides parents and the wider community with fair, reliable and objective information about educational and financial performance measures as well as School and system policies. This information includes summary contextual data, an overview of student performance in state and national assessments, a description of the achievement of priorities in the previous year and areas for improvement. Detailed information about the School’s improvement journey is documented in the School Improvement Plan (SIP) which is developed, implemented and evaluated in consultation with key stakeholders.

Further information about the contents of this Report may be obtained by contacting the School directly or by visiting the School’s website. Information can be also be obtained from the My School website.

Enrolment Policy

The School follows the Enrolment Policy for Diocesan Systemic Schools. The policy encourages the local Catholic community, under the leadership of the parish priest and principal, to look upon the time of enrolment as a potential occasion for ongoing evangelisation. The policy calls upon parents to examine their present faith commitments, to develop their role as prime educators of their children in faith and to immerse themselves in the communal, liturgical, ministerial and service dimensions of the parish. Copies of this policy and other policies in this Report may be obtained from the CSO website or by contacting the CSO.

Managing Student Non-Attendance

In order for students to reach their full potential it is of paramount importance that they attend school regularly. While it is the parents’ legal responsibility under the NSW Education Act (1990)
to ensure that their children attend school regularly, our staff as part of their duty of care, monitor all absences and work in partnership with parents to support and promote the regular attendance of students. In doing so, the School, under the leadership of the principal:

- provides a caring environment which fosters in students, a sense of wellbeing and belonging
- maintains accurate records of student attendance
- implements policies and procedures to monitor student attendance and to address non-attendance issues as and when they arise
- communicates to parents and students, the School’s expectations with regard to student attendance and the consequences of not meeting these expectations
- recognises and rewards excellent and improved student attendance.

School attendance records also contain information regarding student absences including reasons for absence and documentation to substantiate reasons for absences. Teachers are required to monitor non-attendance diligently on a student by student basis and to bring to the attention of the Principal immediately any unexplained absences, non-attendance of a chronic nature, or reasons for non-attendance that cause concern. Matters of concern are referred to the Principal, the CSO and the relevant Department of Education officer where appropriate.

Where a student is not able to attend school for a prolonged period of time due to a medical condition or illness, the School in collaboration with parents, provides resources to contribute to the student’s continuum of learning where possible. The CSO monitors each school’s compliance with student attendance and management of non-attendance as part of the system’s School Review and Development (SRD) processes. The School’s attendance monitoring procedures are based on the Guidelines for the Management of Student Attendance in the Broken Bay Diocesan Schools System (password required).

The School takes responsibility for planning, implementing, evaluating and tracking staff professional learning. Individual staff members take responsibility for their ongoing professional development. Catholic schools in the Diocese of Broken Bay exist to educate and form young people in a Catholic Community of Discipleship; offering them experiences of following Jesus as members of the Catholic community. Mission is therefore the philosophical core of all the priority areas and of our schools. The Broken Bay K-12 Religious Education Curriculum was launched in 2005 by Bishop David Walker. This curriculum provides teachers with the opportunity to develop engaging and challenging learning experiences for their students and is comprised of three sections: (i) foundations (ii) syllabus (iii) modules. A distinctive feature of the syllabus is a statement of the Catholic Worldview that is integral to all that we do. It provides insights on the purpose of life and how we live it. In the words of Bishop David Walker, it is ‘experiencing life through the eyes of our Catholic faith’.

At Maria Regina there is the presence of distinctively Catholic symbols and practices as part of the daily life of the school. Each classroom and the school foyer have a dedicated sacred space reflecting the cycle of the liturgical year. We enjoy a strong connection with our Parish and our Parish Priests. The school places a strong emphasis on prayer, sacraments and Eucharist. Students, and their families, are involved in:

- Class Masses with the Parish each term
- Reconciliation each term
- School Family Weekend Masses
- Pittwater SOUL Mass for Year 5 & 6 children of Maria Regina and Sacred Heart schools
- Masses and Liturgies for feast days and community events
- Parish Reflection Days for the Sacraments of Confirmation and Eucharist which connect Catholic families to the life of the local church
- Year 6 Peninsula Cluster Mass
- Diocesan Mission Mass attended by Student Representative Council.
Primary Curriculum

The School provides an educational program based on, and taught in accordance with the Board of Studies, Teaching and Educational Standards (BOSTES) syllabuses for primary education. The Key Learning Areas (KLAs) are English, Mathematics, Science and Technology (S&T), Human Society and its Environment (HSIE), Creative Arts (CA) and Personal Development, Health and Physical Education (PDHPE). In 2014 the School implemented the new NSW syllabus for the Australian Curriculum in English and Mathematics. In addition to this, the School implements the Diocesan Religious Education syllabus. Staff members are committed to continuous improvement of teaching and learning in all facets of the curriculum.

The K-2 teachers have participated in professional learning to develop analysis and assessment of reading which has led to changes in teaching practice to improve reading and comprehension. The school worked with CSO Education Officer Curriculum, Teaching and Learning K-12 to guide them in this area. Teachers use learning intentions and success criteria to enhance student learning. The introduction of standardised testing in Reading and Mathematics using PAT-R and PAT-M supported the assessment of reading and mathematics. Each child was assessed in mathematics using the Mathematics Assessment Interview (MAI) which provided data to ensure differentiated teaching and learning for each child. The school continued to implement Extending Mathematical Understanding (EMU) to enhance confidence and skills in Mathematics. A new scope and sequence for Mathematics was developed in line with the NSW syllabus for the Australian Curriculum. Professional Learning in preparation for the implementation of the NSW syllabus for Science was ongoing throughout the year. ICLT continued to be used to support teaching and learning in all Key Learning Areas.
NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. NAPLAN assessment results provide valuable information about student achievements in literacy and numeracy. An analysis of these results assists the School's planning and is used to support teaching and learning programs.

The tables below show the percentages of students who achieved particular skill bands in the aspects of literacy and numeracy compared to students nationally. Literacy is reported in four content strands (aspects): Reading, Writing, Spelling, Grammar and Punctuation. Numeracy is reported as a single content strand. Students who were exempted from any test were deemed not to have met the national minimum standard in that test area and are not included in band distributions. Additional NAPLAN student performance information can also be accessed from the My School website.

NAPLAN Comments
A focus on the explicit teaching of comprehension strategies and the use of learning intentions and success criteria has contributed to consistent growth in the NAPLAN results for reading and writing in Year 3 and Year 5. The implementation of guided writing strategies has helped to sustain these high results. The school has highlighted the need to continue to improve our spelling results through building teacher capacity in this area.

Due to our clear vision and focus on differentiation and assessment continual student improvement and high achievement is evident in numeracy with 61.9% of students in the top two bands in Year 5.
Pastoral Care Policy

The School’s pastoral care and student wellbeing policies and procedures are informed by the Pastoral Care Policy for Diocesan Systemic Schools. This policy is underpinned by the guiding principles from the National Safe Schools Framework (2011) (NSSF) that represent fundamental beliefs about safe, supportive and respectful school communities. These guiding principles emphasise the importance of student safety and wellbeing as a pre-requisite for effective learning in all Catholic school settings. The Pastoral Care and Wellbeing Framework for Learning for the Diocese of Broken Bay Schools System (the ‘Framework’) utilises the NSSF ensuring that diocesan systemic schools meet the objectives of the NSSF at the same time as meeting the diocesan vision for pastoral care and wellbeing. The framework includes ten pathways that are intended to assist school communities to create safe schools that foster wellbeing for learning and positive, caring relationships. Further information about this and other related policies may be obtained from the CSO website or by contacting the CSO.

The Positive Behaviour for Learning Program (PBL) continues to be implemented and ensures an atmosphere where children feel safe, secure and happy and where they have a maximum opportunity to learn successfully. The KidsMatter framework is being implemented with the aim of improving the mental health and wellbeing of the students. The staff have now completed three out of the four components of the KidsMatter training. The class teachers, Learning Support Team and the Principal work closely with parents to provide support as required in relation to any issues concerning individual children. When it was necessary, families were referred to local health agencies for professional support. Students and families had access to a school counsellor upon referral via the Catholic Schools Office. Maria Regina has an established class parent network that supports the school community by acting as a link between the classroom, teacher and parents. Part of the class parent role is to promote pastoral care such as welcoming new families and fostering new relationships between parents and students. The class parent network supports parents when a family is in need of extra assistance.

Behaviour Management and Student Discipline Policy

The School’s policies and procedures for the management of student behaviour are aligned to the Behaviour Management and Student Discipline Policy for Diocesan Systemic Schools. Policies operate within a context of social justice, compassion, reconciliation and forgiveness. The dignity and responsibility of each person is promoted at all times along with positive student behaviours whilst ensuring the respect for the rights of all students and staff. Further information about this and other related policies may be obtained from the CSO website or by contacting the CSO.

Our school’s Behaviour Management Policy follows the Diocesan Pastoral Care Policy, and Student Discipline Policy for Diocesan Systemic Schools.
Maria Regina Catholic School has adopted a whole school approach to bring about positive behaviour; Positive Behaviour Learning [PBL]. This approach has a strong emphasis on teaching appropriate behaviours and providing systems of support to bring about these positive behaviours. Our school aims to provide a safe and supportive environment in which learning takes place. We (staff, students and parents) recognise that we all share the responsibility for Behaviour Management, with a positive and pastoral outlook for all.

**Anti-Bullying Policy**

The School's Anti-Bullying Policy is based on and informed by the *Anti-Bullying Policy for Diocesan Systemic Schools* and is aligned to the *Pastoral Care Policy for Diocesan Systemic Schools* and other related wellbeing policies and guidelines. All students, their families and employees within Catholic education have a right to a learning and work environment free from intimidation, humiliation and hurt. Anti-Bullying policies support school communities to prevent, reduce and respond to bullying. Further information about this and other related policies may be obtained from the CSO website or by contacting the CSO.

At Maria Regina School, we believe that all members of the community have the right to a learning and work environment free from intimidation, humiliation and hurt. We all share a responsibility to foster, promote and restore right relationships. We believe that bullying is unacceptable and we (students, staff and parents) all share a responsibility for preventing it.

This policy builds on the school's Pastoral Care and Behaviour Management Policies to provide clear procedures and strategies to prevent, reduce and respond to bullying.

**Complaints and Grievances Policy**

The School follows the *Complaints Handling Policy and Procedures for Diocesan Systemic Schools*. A distinctive feature of this policy is to ensure that complaints are addressed in a timely and confidential manner at the lowest appropriate management level in order to prevent minor problems or concerns from escalating. The expectation is that complaints will be brought forward and resolved in a respectful manner recognising the dignity of each person concerned in the process. The policy recognises that a number of more minor or simple matters can be resolved without recourse to the formal complaint handling process but rather, quickly and simply, by discussion between the appropriate people. Further information about this and other related policies may be obtained from the CSO website or by contacting the CSO.

At Maria Regina we take complaints seriously and try to resolve them in the most appropriate, efficient and confidential manner possible:

- If you have a complaint about a student other than your own child you should raise it
with your child’s class teacher.

- If you have a complaint about a staff member relating to teaching and learning, the issue should first be discussed with the relevant teacher or the principal.
- If you have a complaint about the inappropriate behaviour of a staff member towards any child or young person, your concern should be directed to the Principal and confidentiality must be maintained.
- If you are a student with a complaint about another student you should raise the issue with your teacher.
- If you are a student with a complaint about a member of staff you should raise it first with your class teacher or the principal.
- Please refer to the Parent and Community Information Brochure – Addressing Concerns About a School available on the Catholic Schools Office of Broken Bay website

Initiatives Promoting Respect and Responsibility

Maria Regina is a place where each student's individuality is valued and nurtured, where each student is encouraged to aspire and achieve their goals. It is a place where students can be comfortable and happy, feel safe and welcome, yet be challenged and inspired. It is a place where everyone is valued and respected for the unique skills and talents that they bring.

Our school behavioural expectations of “Respect Yourself, Respect Others and Respect the Place We Are In” embed the core values of respect and responsibility. These are a focus in all areas of school life, both inside and outside the classroom, as well as in the way our students actively engage in our local community.
Strategic planning ensures a common purpose and agreed values are established. In Broken Bay systemic schools, this common purpose and agreed values along with goals, targets and key improvement strategies are documented in the School Improvement Plan (SIP). This SIP is a three year planning document and is used to record the School’s progress in working towards priorities for improvement in three domains: Mission, Pastoral Care, Learning and Teaching. School improvement planning is supported systemically by the Diocesan Leading Learning initiative. This initiative is research based and has been developed in partnership with the University of Auckland.

This year, a variety of processes have been used to gain information about the level of satisfaction with the School from parents, students and teachers.

**Parent Satisfaction**

Parent satisfaction in the school community is evident in the level of engagement by the parent community and participation in school life. Parents are offered many opportunities to contribute to the school and school assemblies, Masses and liturgies are well attended by parents.
