Learning Every Day Counts

Absences add up!

Being **10 minutes** late per day can lead to **6 days missed** per year.

Missing **2 days** of school a month means over **1 entire year** of missed learning in a student's school life.

Missing **2 days** of school a month **=** Missing more than **1 year** of learning over 13 years

Each day missed:

- Puts a student behind and makes it harder for them to catch up.
- Can lead to gaps in learning.
- Can impact on social and emotional connections.
