

Child Protection Responsibilities

Child Safe Organisation (Standards)

The Australian Royal Commission into Institutional Responses to Child Sexual Abuse recommended 10 child safe standards, drawing on its findings and extensive research and consultation about what makes institutions child safe. The standards work together to emphasise the importance of adopting multiple strategies to address child safety and avoiding an over-reliance on one strategy. Since the Royal Commission recommended the Standards, the Federal Government has adopted the National Principles of a Child Safe Organisation, the Australian Catholic Safeguarding Ltd finalised 10 National Catholic Safeguarding Standards (NCSS) and the NSW Government have released mandatory Child Safe Standards 2020.

Catholic Schools Broken Bay (CSBB) is committed to adhering to the National Principles, Catholic Professional Standards and the NSW Child Safe Standards and demonstrates compliance with each standard in the day to day operations of all its schools.
